I give my consent to the clinical staff of the Adams County Health Department (ACHD) Sexual Health Program to examine, treat and counsel me. I understand and agree with the following:

**Services**
- Sexual Health services may include: review of my health history, routine visits to provide Title X services, such as a birth control method, sexually transmitted infection and HIV screening and testing (if indicated), and risk reduction counseling, pregnancy testing and counseling, preconception screening and counseling, and referral for care not provided at this clinic.
- I will be provided information about the test(s), procedure(s), treatment(s) and birth control methods prior to any of these services being provided. This information will include the benefits, risks, possible problems or complications and other choices. I will ask questions about anything I do not understand.
- Telehealth involves the use of electronic communications to enable providers to deliver healthcare services remotely as an extension of client encounters with the purpose of maintaining the continuum of care. I understand that telehealth visits (by phone or other ACHD approved technology) are an alternative way for me to receive program services. I understand that complete privacy and/or security is not guaranteed in telehealth visits.
- It is my choice whether or not to receive services and I can change my mind about receiving services from this program at any time.
- No guarantee is given to me as to the results of any services I receive.
- My provider might recommend a physical exam, including a breast exam and pelvic or genital exam, lab tests, including a Pap test, if needed. I understand I have the option to decline any of these services.
- Receiving Title X services is not a requirement to receiving any other services offered at the clinic.

**Payment**
- There are certain hazards and risks connected with all forms of medical care and treatment that may result in additional costs to me (the client).
- There is no guarantee of payment by insurance or by an aid program for any costs that the family planning program does not cover and for which I am responsible.
- I may be billed for non-Title X services including, but not limited to, colposcopy or treating complications resulting from Title X-covered procedures or side effects from medications.
- Some lab tests may not be paid for by the Sexual Health program. My provider will discuss these with me.
- If I need a referral to another health care provider, I will assume responsibility for getting and paying for this care.

**Privacy**
- All information about me is kept in strictest confidence and will not be released to anyone without my permission, except as required by law. This could include:
  - Positive test results of some sexually transmitted diseases
  - Sexual or physical abuse of minors
  - Physical signs of domestic violence or intimate partner violence
- I understand that this program uses a statewide database that makes my health information available to the Colorado state health department for program reporting purposes.
- I have been given information about Notice of Privacy Practices at ACHD and offered a copy of the privacy practices document.

I have read the above information. It has been explained to me and I understand it. My questions have been answered by a person from the program.
