

FAMILY & CHILD SERVICES WITHIN ADAMS COUNTY HEALTH DEPARTMENT

HEALTH ENROLLMENT TEAM

healthenrollment@adcogov.org • 303.363.3013

- Enrollment assistance for new and existing applicants. This includes change in household information and assistance with Connect for Health Colorado, Medicaid, and Child Health Plans+ (CHP+).
- Help provided in-person, by phone, or by video using Zoom.

WOMEN, INFANTS, & CHILDREN (WIC)

wic@adcogov.org

- The Women, Infants, and Children (WIC) nutrition program provides nutritious groceries, nutrition education, breastfeeding support, and other services free of charge to Adams County families who qualify.
- Provide access to Breastfeeding Peer Counselors, who are moms who have breastfed their own babies and have special training to help other breastfeeding moms. They offer practical help and support to WIC participants during and after business hours when others may not be available to help.
- Families can join if they meet income guidelines, or have a family member in Medicaid, SNAP, or TANF. Call the nearest WIC office to see if you qualify and to request an appointment.

SEXUAL HEALTH

shp@adcogov.org • 303.363.3018

- Our Health Care Team provides confidential birth control and sexually transmitted infection testing and treatment for all Adams County residents, regardless of gender, age, marital status, income, or proof of residence.
- Clients ages 21-64 may receive no cost cervical and breast cancer screening, including mammograms.

HCP A PROGRAM FOR CHILDREN & YOUTH WITH SPECIAL HEALTHCARE NEEDS

HCPReferrals@adcogov.org • 303.517.0427

- Nurses provide information sharing, resources, and care coordination to children and youth, ages 0-21 years old, with special healthcare needs, such as prematurity, genetic disorders, autism, diabetes, Attention Deficit Disorders, or other issues that impact families.
- All Adams County residents and families may participate in this program, regardless of gender, age, marital status, income, or proof of residence. Call 303.517.0427 to refer or enroll.

NURSE FAMILY PARTNERSHIP

NFPReferrals@adcogov.org • 303.255.6246

- Nurses provide home visits for those who are pregnant with their first baby. The program helps first-time parents have healthy pregnancies, become knowledgeable and successful parents, and provide their babies with the best possible start in life. Call 303.255.6246 to refer or to enroll.

NURSE SUPPORT PROGRAM

NurseSupport@adcogov.org • 303.815.0046

- Nurses provide Adams County pregnant and parenting families individualized support, education, resources and care coordination to help them be their strongest.
- Families are eligible if they meet income requirements, pregnant or parenting a child under 6 months and live in Adams County. Call 303.815.0046 to refer or enroll.

IMMUNIZATIONS

immunizations@adcogov.org • 303.451.0123

- Nurses provide low to no cost safe, and effective vaccines to infants, children and adults for all recommended immunizations. On-time vaccination is an important way to help prevent potentially life-threatening illnesses.

HARM REDUCTION

HarmReduction@adcogov.org • 303.363.3077

- Our Health Care Team provides strategies aimed at reducing dangers related to substance use. We provide harm reduction supplies, education, and resources in a safe, non-judgmental place.
- To help prevent opioid overdose, we provide Naloxone and training to the community.
- We provide no cost HIV testing, PrEP screening, counseling and free safer sex supplies like condoms, lube, dental dams, and more.
- Individuals at increased risk of getting Hepatitis C can receive no cost Rapid Hepatitis C testing.
