

# Everything You Need To Know About COVID-19

UPDATED 04/08/2024

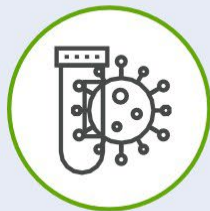

## Stay home and away from others if you have symptoms or test positive

Stay home for 24 hours until your symptoms are getting better and you are fever-free without medication.

To learn more visit:

<https://adamscountyhealthdepartment.org/covid-19>

## Get tested for COVID-19

Find COVID-19 Testing:

<https://cdphe.colorado.gov/covid-19/testing>

Health First Colorado and Child Health Plan Plus (CHP+) will pay for at-home COVID-19 tests for members.

<https://www.healthfirstcolorado.com/covid/supplies/>

## Get treatment for COVID-19

Talk to a healthcare provider right away to learn if you qualify for treatment. It can help you recover and lower your risk for serious illness and works best if taken within a few days of getting sick.

<https://cdphe.colorado.gov/covid-19/medicine>

## Get vaccinated against COVID-19

COVID-19 vaccine offers the best protection against infection or getting severely ill. Call 303.451.0123 or use the link below to find a location near you.

# TODO LO QUE NECESITA SABER SOBRE COVID-19

UPDATED 04/08/2024

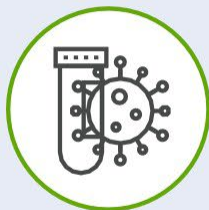

## Quédese en casa y alejado de los demás si tiene síntomas o da positivo

Quédese en casa durante 24 horas hasta que sus síntomas mejoren y no tenga fiebre sin medicamentos.

Para obtener más información visite:

<https://adamscountyhealthdepartment.org/covid-19>

## Hágase la prueba de COVID-19

Encuentre pruebas de COVID-19:

<https://cdphe.colorado.gov/covid-19/testing>

Farmacias que prestan servicio a miembros de Health First

Colorado y CHP+ reciben pruebas gratis, visite [https://](https://www.healthfirstcolorado.com/es/covid)

[www.healthfirstcolorado.com/es/covid](https://www.healthfirstcolorado.com/es/covid) para obtener más información

## Recibe tratamiento para COVID-19

Hable con un proveedor de atención médica de inmediato para saber si califica para el tratamiento. El tratamiento puede ayudarlo a recuperarse y reducir el riesgo de enfermarse gravemente.

Funciona mejor si se toma los primeros días de estar enfermo.

<https://cdphe.colorado.gov/espanol/covid-19/medicamento>

## Vacúnese contra el COVID-19

La vacuna contra el COVID-19 ofrece la mejor protección para evitar la infección o enfermarse gravemente. Llame al 303.451.0123 o use el enlace para encontrar una ubicación cerca de usted.
