Michael Young-Hall, Operation and Accreditation Manager

Currently, the health department annual operating budget is \$30.5 million. Upon opening in January, the health department was approved for 177.75 FTE and approximately 20 contracted staff. The health department has added FTE, through external revenues (grants), that were approved by the Board of County Commissioners bringing the FTE count up to 183 approved FTE positions, or 201 including the contracted employees. To date of the 201 total positions, there are 162 positions filled, 10 in active recruitment, and 29 positions yet to be posted for recruitment.

6. Policy and Legislative updates

Michael Ruddock, Policy and Public Affairs Senior Advisor

Mr. Ruddock provided the board with a current legislative update which included a power point presentation. The power point is available for viewing on the Adams County Health Department website: <https://adamscountyhealthdepartment.org>

7. Approval of Contracts and Ratification of Contracts executed using expedited protocol

No contracts required Board of Health approval or ratification at this meeting. Mellissa Sager, J.D. provided a summary of recent contracts executed by the Executive Director or by the Adams County Board of County Commissioners that involved health department operations. These contracts included Lewan copier lease contract, co-location agreements for the Health Enrollment Team, Public Health Emergency Preparedness and Response points of dispensing agreements for physical locations, an agreement with Adams County Human Services and City of Thornton for the Thornton Farmers Market, mental health consultations for Nursing Division, agreement with LabCorp for electronic laboratory reporting, and sub-awards for diabetes education and prevention.

8. Executive Director's report

Kelly Weidenbach, DrPH, MPH, Executive Director

Dr. Kelly Weidenbach, provide a few verbal updates. Dr. Weidenbach attended a meeting with other Executive Directors from other local public health agencies in the State of Colorado, Colorado Association of Local Public Health Officials (CALPHO), and CDPHE. This meeting convened to cover lots of different content around local public health funding, employee retention, workforce development, data, and informatics. Dr. Weidenbach also sits on the CALPHO board. Calendar hold sent for a special meeting in August 14, 12:00 p.m. to 5:00 p.m. Half day special meeting is in addition to the regular scheduled August meeting. The purpose of this special meeting will be to discuss additional governance topics, role clarification, new member onboarding and training, debrief from the National Association of Local Boards of Health (NALBOH) conference, and to kick off ACHD strategic planning.
