### Table of horizontal distances

**Indicate location of well (if known).**

A blank grid map for drawing geological or topographic features. The map is a large rectangle divided into a grid of approximately 20 columns and 20 rows of small squares. In the top-left corner, there is a legend consisting of four small squares: the top-left square is shaded dark gray, the top-right is white, the bottom-left is white, and the bottom-right is shaded dark gray. In the top-right corner, there is a north arrow symbol consisting of a vertical line with a small horizontal tick mark to its left, and the letter 'N' positioned below the arrowhead.
